PRICE CHANGE ANNOUNCEMENT

To Our Valued Customers:

The Edmund A. Gray Company continues to face ongoing increases in the costs of raw materials and finished goods, transportation, operating materials, packaging, insurance and labor.

In addition, as you are undoubtedly aware, availability has been an ongoing challenge as raw material and finished goods deliveries have been inconsistent from many suppliers across all industry segments.

As a result of these ongoing situations, we will be implementing the following LIST Price Changes in the categories listed below. Exact percentages will vary, but a general percentage is shown.

These pricing changes will take effect at the end of business on Friday, May 14, 2021. (New prices will be in effect on Monday, May 17, 2021.)

NIPPLES		FITTINGS	
STEEL PIPE NIPPLES	15%	MALLEABLE IRON FITTINGS	9%
BRASS PIPE NIPPLES	10%	BRONZE PIPE FITTINGS	9%
STAINLESS STEEL NIPPLES	10%	STAINLESS STEEL FITTINGS	9%

New pricing will be available before April 30, for download from www.eagray.com, via phone calls to our sales office, or email requests sent directly to sales@eagray.com. Based on purchasing history, we reserve the right to limit orders and order volume prior to May 14, 2021. Please call us or email sales@eagray.com with any special information requests or questions you may have.

We proudly continue to make every effort to service your needs by maintaining sufficient inventory levels in order to ship complete orders, in as timely a manner as possible.

On behalf of the Edmund A. Gray Company and its employees, we thank you for your continued support during these turbulent times!

Cordially,
Edmund A. Gray Company

Lawrence C. Gray, III
